

ORLANDO VOLLEYBALL ACADEMY

The Orlando Volleyball Academy (501C3 59-3344274) is a non-profit organization that has been serving Central Florida and its surrounding volleyball communities since 1996. OVA has developed into a nationally prominent junior club, impacting the USA Volleyball Junior National Championships, Florida Region, collegiate and national level volleyball.

Our club trains young girls and boys to perform at their highest level. Club volleyball gives athletes exposure that is needed for college recruiters to see playing at a higher level than local high schools offer. Since 1996, the club has had more than 195 student-athletes attend college on volleyball scholarships.

Unfortunately, not all of the athletes can afford the cost of the program and because of that, they can not benefit from it. We are asking our community to help us help young athletes be the best they can be.

If your organization is interested, please complete the form below. You can donate to a specific team or an individual player of your choice.
